OW WOULD YOU LIKE  
TO SPEND FOUR HOURS  
IN THE COMPANY OF -  
**FIREFIGHTERS???**

**Climb to Recovery:** Lucy Henry and her assistance dog Lottie are walking the Point to Pinnacle - with the support and company of staff from the Tasmanian Fire Service - to raise money for the Royal Hobart Hospital Burns Unit.

The Point to Pinnacle is a 21km road walk/run held on November 21 from Wrest Point Casino to the pinnacle of Mt Wellington – an excellent metaphor for the physical and emotional climb needed to recover from major burns.

It's a great incentive/goal to help you stay fit during our cold and wet winter!

Members of the public and staff of the Royal Hobart Hospital are encouraged to walk with Lucy and collect donations from their families, friends and workmates.

We are looking for people willing to walk with Lucy and her friends... Every dollar counts!!!!

Donation Buckets are available for businesses willing to participate.

### **Interested?**
